Manulife

Actuarial Assistant Manager / Manager
Manulife Global Solutions

We're looking for a highly-analytical and detail-oriented ***Actuarial Assistant Manager / Manager*** *to join our Actuarial Function at MGS. In this role, you will work closely with our Actuarial team to drive key business decisions and shape our company's financial future with your business acumen and analytical skillset. As the bridge between junior members and management, you'll be at the heart of a collaborative team that values your professional development.*

Position Responsibilities:

- Collaborate with our skilled team of actuaries to support the company's strategic data analysis, risk assessment, and business planning.
- Assist in the management of our skilled team of actuaries to support the company's strategic data analysis, risk assessment, and business planning.
- Support the business in tasks that may include the following:
    - Pricing
    - Portfolio Modeling
    - Asset Modeling
    - Valuation
- Collaborate cross-functionally to ensure precise financial projections, optimal pricing strategies, and effective risk-management solutions.
- Drive innovation by staying at the forefront of industry trends, regulatory shifts, and technological advancements.

Required Qualifications:

- Bachelor's Degree in Actuarial Science, Mathematics, Statistics, Finance or related field
- At least 3 years of actuarial work experience in Insurance or Financial Services
- Progress towards attaining a designation in any recognized actuarial organization (SOA, ASP)
- Working experience in MS Office (Excel, VBA, Access), GGY AXIS, SQL, Qlikview, Python or similar program is a plus.
- Proven analytical and problem-solving skills with the ability to gather, synthesize, organize, and report information, results, and recommendations to various levels across the organization.

- Strong ability to establish priorities and manage multiple tasks with accuracy and attention to detail.
- Able to work in an evolving and dynamic environment.
- Strong communication skills with the ability to build camaraderie across levels and business functions.
- Passion to grow and driven to be recognized as a trusted business partner.

When you join our team:

- We'll empower you to learn and grow the career you want.
- We'll recognize and support you in a flexible environment where well-being and inclusion are more than just words.
- As part of our global team, we'll support you in shaping the future you want to see.

Let's make every day better together. Learn about our opportunities at careers.manulife.com
