Dear Friends and Colleagues,

Greetings from the Actuarial Society of the Philippines!

The Actuarial Society of the Philippines (ASP) will be holding its 55<sup>th</sup> Annual Convention on November 14 – 15, 2014 at The Bellevue Resort, Panglao Island, Bohol, Philippines.

The theme for this year's convention is "**Convergence. Confluence. Conventions.**"

Amidst recent developments in financial reporting, valuation standards and risk management, this year's theme serves as a call for action to put in place our own set of Philippine standards. This year's convention targets topics that provide insights into what other countries are doing in these areas in order to determine what are appropriate for the Philippines.

Topics may include the following areas and covering Life, Non Life and Health Insurance and Pre-Need:

- Philippine Valuation Standards / PFRS
- International Financial Reporting Standards / International Insurance Regulatory Standards
- Enterprise Risk Management
- US Risk Based Capital and Principles-Based Reserving
- Solvency II
- Canadian Valuation and Solvency Regulation

Should you wish to present a paper, kindly get in touch with the *ASP Convention Papers Sub-Committee* - Comi, Jake, Tin or Joseph, whose email addresses are found below. Please prepare to submit your topic and a brief outline, together with your curriculum vitae on or before June 1, 2014.
